

Carrollton Baptist Association—  
Striving to be an Acts 1:8 Association

April, 2011

From Your Associational Missionary...

On Friday, April 1st, seven people will board a plane in Atlanta, GA and head to Lima, Peru. In Lima, a small bus will be waiting to carry us to Huaraz, a city in the Andes Mountains about seven hours away. The plane arrives in Lima at 11:30 p.m. and the bus ride from Lima to Huaraz will be through the night. When we arrive in Huaraz we will have breakfast, catch a few hours of rest, prepare for VBS that begins the next day, and attend a retirement dinner for one of our retiring IMB missionaries. On Sunday morning we will have a worship service with several IMB missionaries. Following the service, VBS begins for 14 missionary children ranging in ages from 2 to 13.

Please pray for this mission team—Jessica Lane, Jeremy Ward, Jamie Ward from Tyus; Megan McManus and Carrie Lee Deese from Antioch; and Donna and Dan Dockery from Oak Grove. It has been a joy to work with this team and I am grateful for their willingness to prepare for five days of VBS in a short time. They have approached each night

of training with excitement and enthusiasm.

Also pray for the 14 children we will be ministering to that week—Jacob and Samuel, Jack, Katie and Grace, Trevor and Jordan, Leah and Trace, Caleb, Nathan and Benjamin, Ella & Isaac.

I had a chance to meet several of them in November and they are some outstanding kids. And pray for their families as they will be involved in some intensive training while we minister to their kids.

All of you are aware of the tragedy in Japan and many of you are asking how you can help. As of this time we have people in Japan assessing the situation and as soon as we know what the needs are going to be we will let you know. The GBC has already established a Japan Relief Fund so contributions can be made to assist in ministry there.

Thank you for your overwhelming response to the Baby Bottle Boomerang. As you can see on

page 2, over \$31,000.00 has been given for this ministry project. Thank you for your concern!

Also, remember the “Bags of Hope for West GA” which is another way to demonstrate our care and concern for the needy in our communities. Over 700 backpacks go out every weekend to children in our schools to ensure that they will have enough to eat. We do have a hunger problem here in our two counties and we have the resources and the ability to help alleviate some of that problem. So thank you already for your response.

I want to thank Jennifer Jindrich for the outstanding job she did in putting together our VBS clinic on March 28th. She had a tremendous lineup of workers and has done a super job in her first year as our Associational VBS director. She has been a joy to work with.

Thank you for allowing me the privilege to serve with you.  
Dan

We would like to thank everyone who promoted and came to our Spring Dinner Theater! It was a great success. We would also like to thank the local business who contributed to the food. All of the profit from the

play will go to support our Georgia BCM Summer Missionaries. We have 15 BCM Summer Missionaries, 5 others going on other trips, and a team to Haiti that is in the process of coming together going

**From the WMU.....**

It was great to hear children share about the ministries they were involved in through their churches. Children can make a difference in the lives of others. I believe their service will change them as well. They may be more aware of others needs and see how they can serve. I would like to thank the children and the teachers who helped them participate in Children's Ministry Day.

WMU Directors—We are looking forward to getting together with you again Saturday, April 30. Please make plans to attend. We will be sharing information you can share with your ladies in your churches. I will be sending you more information. If you don't receive a letter from me I may not have your contact information. Please let me know if you are working as a women's leader and I could send you information about opportunities for

service and growth. [perkinskmw797@yahoo.com](mailto:perkinskmw797@yahoo.com)
